AFTERSHOCK 3.5

1/8 SCALE NITRO DESERT TRUCK

Live up your weekend bashing adventures with the Aftershock 3.5, part of the UltraLite Series from Redcat Racing! This big block desert truck will fulfill your off road needs. With maximum speeds up to 50mph, this 4X4 truck incorporates a front and rear sealed differential, composite disc brakes, sealed 2 speed transmission and a nitro fueled 3.5 cc .21 SH big block engine that delivers massive acceleration. Desert truck soft compound off road tires, oil filled big bore shocks and a durable 2.5 mm aluminum chassis make the Aftershock 3.5 the perfect 1/8 scale truck at a very competitive price.
